

Church Council Agenda 6-02-21

CC-

Wednesday is our church council meeting from 6:30 to 8:30 pm. Only 2 people responded about meeting in person so we plan on having it on zoom again. If we have time, we may have a discussion about what our meeting schedule looks like. We realize there is an ease to zoom (and we have a rhythm now) but there is also value in being together. Figuring out that balance will be good. Bruce will send out the zoom meeting details.

Here is the agenda for this month:

Open & Prayer - Jeff

Seniors Petition - Matt

- Matt has met with the seniors (individually and all together) to talk more about their letter. Attached are detailed notes of the meeting from Melody Ambrose.
- Matt will bring a proposed response to Council.
- The response will be made on June 6th at the friendship class

Beyond Homes - Jeff The

- Beyond Home visits went well. We need to determine next steps.

90 Sprints - Angie

- The Directional Team has identified what our next 3-90 day sprints need to be. Angie will present.
- This will include some staffing changes.
- Sprints are attached

Business Meetings - Matt/Jeff

- We are planning on having our next business meeting on July 18 @ 12:30pm. We are no longer providing a 1pm online service so it opens up space for an earlier meeting. We need to decide if we want it to be an in-person, hybrid, or online-only meeting. Each have benefits and weaknesses.

Wrap up - Jeff

- Prayer and action items

Financials - Chip will send the financials.
