### **Seniors**

The seniors are a vocal minority (Builders). The seniors do not have problem with the vision. They do not know where they fit into the vision.

The seniors have been allowed to meet at the Northglenn campus at 8:00 a.m. for their Friendship Class. They asked for someone to help them with sound (Chip has stepped in), they asked that they could have communion on the 1<sup>st</sup> Sunday of the month (Matt has okayed that). They have asked that the 9:00 a.m. worship service from Thornton be streamed so that can also have the sermon (This has not been granted at this time).

Jeff indicated that Thornton has incorporated hymns into the worship service. The hymns maybe an updated version but they still are recognizable as hymns.

We must draw the line in the sand. The model of the 90s traditional and contemporary worship is stagnant and needs to be changed to reach our targeted group.

Melanie and Tom have been really hurt by the seniors. They have been bending over backwards to help them understand the vision, and to embrace the new vision.

### **Beyond Homes**

Visit went well from both sides. Are we as a church open to this option? This will not be a simple process. Beyond Homes has many big money partners.

Rick Green indicated that he would not like to see this become a big distraction of the Council. He is nervous that it will consume too much of the Council's time.

Steve Snow loved what Beyond Homes is doing.

Gabe goes over business plans all the time and he was really impressed with Beyond Homes business plan.

Beyond homes is more than housing. The average stay is 4 to 5 years. The purpose is to help them get back on their feet and give them the tools to be successful.

Angie's small group is going to serve at Beyond homes and has invited any who can attend to join them.

## **New Sprints**

We are launching three new sprints.

### Northglenn Outreach Center

- Matt is working on the vision and Mission policy strategy
- More Better Bikes will be part of the Outreach Center

### Fort Lupton Launch

- Build a timeline
- Launch (Reagan & Alex)
- How do we care for the people?
- How do we pay them?

### Marketing Strategy

- Michele will be handling the market portion of this sprint and Jared will be handling the online portion of this sprint.
- Michele will become a member of the directional team
- Jared needs training in communicating the message effectively to reach our targeted group (Mike)

Chip is currently closing the fiscal year.

Mia is going to be the church administrator.

Ryan asked if some of these items can be outsourced?

## **Business**

Business meeting is planned for July 18.

Online attendance is the greatest.

Send Jeff an email whether you want to meet in person. Make sure you send one either way.
