

Church Council Agenda 9-01-21

CC -

Jeff and I have settled on meeting in person once a quarter and meeting on zoom the rest of the time. Wednesday, we will meet on zoom from 6:30 to 8:30 pm. Bruce will send out the zoom meeting info.

Also, a huge congratulations to Gabe Ramon. They had their baby boy!

Here is the agenda for this month:

Open & Prayer - Jeff

Church Council Nominations - Jeff/Matt

- We have narrowed the list of candidates down to four for your feedback. Here they are in order:
 - Melody Ambrose - She truly represents "the older generation of Crossroads" and would be the needed critical voice on the board. She wouldn't be afraid to ask the hard questions.
 - Cory Ard - One of the most dedicated volunteers we have and he has served at a high level.
 - Stew Jackson - There is nobody more on board with the vision of the church than Stew right now. He is a huge cheerleader. However, I would want to sit down with him and make sure his personal life is in a place where he feels like he could serve well.
 - Lukas Bravo - Young and for the vision for the church. Our only hesitation with Lucas is that he tends to be very quiet.

Missions Committee Charter - Matt

- As a commissioned board of Church Council, we have put together a charter of operation to present to the mission committee.
- This will help them with some clarity in their involvement in the mission and vision.
- Here is the document:
