Security Policy--PLEASE READ

To ensure safety, **ALL CLUBBERS MUST BE CHECKED IN AND PICKED UP BY A PARENT OR OTHER ADULT** (designated above). Clubbers are given a name tag that they must wear the entire evening. All attendance is done at check-in so it is very important that clubbers be checked in each week. Clubbers 5th grade and younger will not be released from their group until picked up by a designated adult and are not permitted to pick up younger siblings or other clubbers.

Your kids' safety is our utmost concern and we appreciate your cooperation with our check-in and pick up system.

I have read & agree to abide by the AWANA security policy above. I have also read the Peak 101 document.
